First in the Mark King Series

By P.S. Bridge

PRESS RELEASE

A terrorist threat, a sinister organisation, and a threat to the security of the free world is all in a day's work for Mark King, in this high octane thriller.

Renowned British lawyer and Sandhurst military academy dropout, Mark Lucas King is assigned the case of his career: to prosecute known terrorist Mohammed Al-Azidi. All King wants is justice and to do his job successfully. But his peaceful life is shattered when a team of merciless hitmen targets him and his family and the court case collapses. Framed for assault and suspected of his wife's murder, King must leave his legal career behind and go back to his old career as a British Army sniper in order to catch those responsible and hold them to account. Mark King's brand of justice doesn't involve a court room. Forced to battle against

highly trained hitmen to clear his name, King discovers that a sinister organisation known as Invictus Advoca is operating behind the scenes. But what is their connection to him and the Al-Azidid case?

As the hunt for those responsible takes him far across Europe, can Mark unravel the mysteries that shroud this secretive organisation and peel back the layers to discover why he and his family have found themselves the target of professional hitmen? Time is not on Mark King's side as he races to prevent a global terror threat, discover who killed his wife, and find out who wants him dead, and why.

HIT is the first in P.S Bridge's high-octane thriller series starring complex hero Mark King and is the perfect next read, and holiday companion, for fans of crime and international thrillers.
