PRESS RELEASE

Spirited and adventurous children's book series follows the adventures of a Cornish tin miner and his magical friends.

Two naughty Knockers -grubby trolls who wear miners boots and eat pasty crusts for those of you who don't know- have been stealing from their community. With no-one else to turn to, it is up to Austin to help his friends out and bring the thieves to justice. However, things take a dangerous turn when the knockers take something explosive and Austin is forced to embark on a very different adventure which will take him underground through perilous tunnels and out into the wild sea. With the help of new friends, in the shape of sea serpents and Bramble, a female knocker who used to be a wrestling champion, Austin finds himself in a race

to save the lives of the magical underground world- but will he succeed? Enjoy the ride as the Cornish coast provides another dose of adventure and magic that children and adults alike will enjoy and remember for years to come.

After growing up and living in Cornwall, author Karen Hoyle boasts an unrivalled love and passion for the landscape, magic and heritage of its stunning coastal county. The rugged terrain is brought to life through her vivid descriptions and distinctive characters especially that of her leading character Austin -an unassuming hero working in a Cornish tin mine and living in a cottage with his wife Mary and dog Bert. Through her books, Hoyle breathes life back into the magical stories that abound in Cornwall's past and uses the tales and legends that all Cornish people have grown up with turning them into exciting and modern stories that next generations can enjoy

The self-proclaimed Poldark for six years olds, **The Morgawr and the Bad Knockers** is the second in Karen Hoyle's Cornish children's book series.
